CLASS HISTORY

September 12, 1955, was a big day in the lives of the 49 Freshmen who entered Bowler High School. It marked the beginning of our high school education.

We were initiated by the Sophomores in October. We didn't mind it too much; we knew we'd get our revenge the next year.

That year many of our classmates joined in extra-curricular activities. Sandra Bernarde, Lonna Onesti, Clair Sawyer, Nancy Lemke, Joan Buchholtz and Ronnie Schumacher were in Forensics and Sandra Bernarde and Ronnie Schumacher were in the one-act play. Sandy was also on the cheerleading squad.

Our officers were:

President	Clifford Kessen
Vice President	Meril Schultz
Secretary	Nancy Lemke
Treasurer	Diane Zahn
Reporter	Sheila Miller

Our class membership dwindled down with the loss of Sheldon Malone, Emil Pukall, Parnell Wilber, Harvey Matz, Diane Zahn, Sandra Bernarde, Danny Faber, Alice Slivicki, William Cook and Joan Buchholtz.

On September 5, 1956, we returned to school as sophomores. We initiated the freshmen; they were good sports.

Members participating in extra curricular activities were Nancy Lemke, Lonna Onesti and Marion Onesti in Forensics and Meril Schultz, Ronnie Schumacher and Nancy Lemke in the one act play.

Our class officers were:

President	Darwin Zeinert
Vice President	Ronald Schumacher
Secretary	Malcolm Voelz
Treasurer	Clifford Kessen
Reporter	Ellsworth Long

We gained a new classmate, Jim Ness at the start of the year; but at the end we had lost him along with Earl Ladwig, Reka Matz, Connie Beyer, John Pingel, Ellsworth Long, Dennis Dallman, Leo Besaw, Clair Sawyer, Shirley Bierman, Joe Shadduck and Sheila Miller.

Margaret Martin was our only classmate on the cheerleading squad. Nancy Nordwig and Darwin Zeinert were on the Prom Court of Honor.

Our Junior Year began on September 3, 1957. We were so excited because we'd soon get our class rings and have the Junior Prom.

Our class officers were:

President	Margaret Martin
Vice President	Jayne Miller
Treasurer	Lois Hull
Secretary	Clara Mae Jacobs

HISTORY (con't)

Our Prom was held on April 25, 1958. Our theme was "Fascination" decorated with a combination of Candyland and Toyland. Stan Ness provided music for that happy event over which Darwin Zeinert reigned as King and Nancy Nordwig as Queen. Margaret Martin and Herold Teuchert were on the Court of Honor.

Quite a few members of our class were in extra-curricular activities as before. Darwin Zeinert, Malcolm Voelz, Sidney Maas and Ronald Schumacher made the Basketball "A" team.

Lonna Onesti was chosen to go to Badger Girls State and Ronnie Schumacher went to Badger Boys State. Nancy Nordwig was selected as "Chapter Sweetheart" by our F.F.A. Chapter.

We gained two classmates; Gary High transferred from Milwaukee and Clair Sawyer returned from Stevens Point.

September 3, 1958, started off our final year at Bowler High School. We were mighty Seniors at last! Mr. Kolpack was selected as our class advisor. Sheila Miller joined our class again.

The class officers for our final year were:

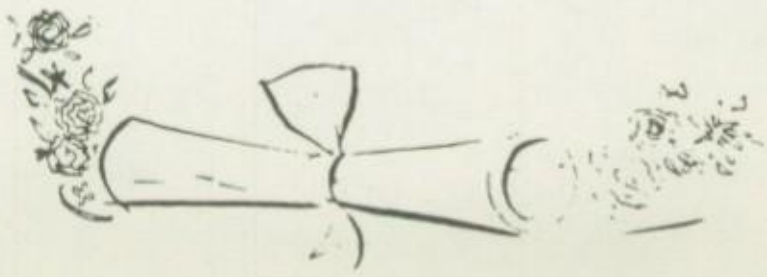
President ..... Ronald Grosskopf
Vice President ..... Clair Sawyer
Treasurer ..... Meril Schultz
Secretary ..... Sheila Miller

Our class pictures were taken by Toburen's Studio of Antigo.

Lois Hull was selected by the class to receive the D.A.R. award.

Our graduation date was set for May 26, 1959. Our class flower is a white carnation and our class colors are Red and White. Our class motto is "Live to Learn and Learn to Live."

As our high school education comes to an end, we won't forget these years, four of the happiest years of our life.



CLASS WILL

The class of 1959 of Bowler High School, abused by the faculty; suffering with a most distressing ailment, namely examinations, and fearing the approach of the end of our days, do hereby bequeath all our High School Possessions to be dutifully distributed to the following named persons.

We do hereby appoint and nominate our well-beloved principal, Mr. Hugo Fischer, executor of this, our last will and testament, and hereby authorize the said Hugo to compound, comprise, and settle any claims or demands which may be against or in favor of the said estate.

We bequeath to our friends, enemies, heirs and otherwise, the following things:

To our principal, Mr. Fischer, we leave the hope that next year's seniors will be as good a class as we were this year.

To Mr. Streim we leave the darkroom in fairly good condition so that he can teach the undergrads how to use it properly as we usually did.

To Miss Jones we leave our old English books so that next year's seniors can learn to speak correctly!

To Mr. Kolpack we leave our bookkeeping books hoping that the seniors next year won't copy as much as we did!

To Mr. Weaver we leave our themes on "Good Conduct in the Classroom" in the hope that he will know better next year!

To Miss Ninmann we leave our thanks for all the work she has done in helping us with the Panther and the Bohiscan.

To Mr. Amburgy we leave the hope that next year's senior boys will be as good at sports as our boys were!

To Mr. Flor we leave nothing; we would like to take some of his patience along.

To the Cooks we leave the suggestion that they try to get rid of that Civil War silverware!

To the Janitor we leave our thanks for the nice job and we hope he keeps it up!

To the Juniors we leave the ability to break traditions as we did.

To the Sophomores we have nothing to leave except the advice that they start to grow up soon!!

To the Freshmen we leave the advice that they should keep up the good work and maybe by the time they are Seniors they will be almost as smart as we are.

CLASS PROPHECY

We were making the 1969 survey of the Bowler Community and the prophecy of the 1959 graduates of B.H.S. really surprised us. We expected a lot from this class and that's exactly what we got.

We found that Nancy Lemke who is now attending night school in Gresham is still working on her MRS Degree. She always did like her night life.

John Pinkley is now in business for himself. He is the new proprietor of the Pinkley Winkley chain stores.

Linda Doxtator is currently on tour for her 5th million seller record titled "Froglegs Boogie." Last night she appeared at Carley's Supper Club in Downtown Bowler.

One of the members is now in the furniture business. Lyle Kerstner has at last found the perfect "Davenport", namely Sharon.

Peg Martin who couldn't make up her mind has finally settled down at Scott Air Force base. She tried to sign up under the name of Jack but couldn't make it so she settled for 6 letters a week and occasional phone calls.

Ronnie Grosskopf now in the construction business has just completed a new route from B. H.S. to his house. It seems to go directly through the "Y". Ronnie Jr. is nearing the age of excitement and Dad is giving him a few pointers.

Karen Dumke and Marion Gangler are now appearing on Broadway. Their current titles are "Mutt and Jeff."

Mal Voelz we found will be spending the next few years in the Bowler Jail. It seems he took his father's place in the bank and his counterfeiting machine was found in the back room. By the way Roger Kasten is the guard at the jail. We've been wondering why so many prisoners have been escaping and now we've found out. Roger always could bake good cakes.

The Onesti girls, Lonna and Marion who won scholarships back in 1959 are still trying to make it through the agricultural course at the Tilleda State Teachers College.

Ron Schumacher we found went into the acting business. He is now playing the top comedian in the movie "The Muscle-Bound Squirt."

Mrs. Butch Moede, the former Sheila Miller, husband and family have just graduated from their 5th and final trailer house. It seems a 3 bedroom-60-footer is the biggest they could find and have settled for the old school house on the reservation.

Darwin Zeinert the former pitcher for B.H.S. has really made a go of his baseball career. He is now the star pitcher for the Bowler little league team. Manager Herold Teuchert says the team is going to transfer to Los Angeles. He states that "if the Dodgers can do it so can we."

Lois and Lyle Hull are now in the advertising business. They are the models for the "Which twin has the toni" ad.

Jayne Miller is now in Chicago. It seems she tried to enter in the school to study body and fender repair but couldn't make it so she is working and saving until "he" gets out.

Merritt Schmidt is now flying chartered jet flights between Gresham and Bowler. He said they are building another base at Roosevelt just for refueling between stops.

Juanita Miller now a full fledged laboratory technician is still having trouble. She never could remember if it was laboratory or lavatory.

Clara Mae Jacobs always wanted to be a boxer; but after thinking it over carefully, became boxing instructor at Bowler's brand new youth center.

Nancy Nordwig is now the top saleslady in the Bowler Sweet Shop. She always did have the boys in her class bringing her candy and now that she is married her husband is quite low in funds due to her "love of sweets."

Karen Beilke now owns the Bowler Potato Farms. It seems the northwest corner of Bowler now extends into the potato country and it comes in real handy.

Audrey Keckhaver has been trying to devise a new way to wake her husband up in the morning. It seems that after 9 years of marriage the alarm clock-cold water method is wearing off--The response always ends up in a bad cold.

Bev Kerstner is now driving her sports car in the Minneapolis Speed Racing. She always was a hot-rodder back in her high school days. By the way Sid Maas is her pit man.

Meril Schulz is the new Business Education instructor at Bowler High. He always did get along with the girls.

Charleen Miller is now the proud owner of the Ford Manufacturing Company. Back in 1959 she really got to know this particular type so is doing quite well. By the way her chief competitor is Clifford Kessen owner of the "Nash" Company.

Gary High and Clair Sawyer now own a service station. They found this is the best way to meet girls who enjoy blonds.

Marjorie Cerveny put her homemaking talents to use; now Mrs. Robert Ready she lives in Milwaukee with hubby and 4 children. She even finds time to devote to homemakers activities and is president of her club.
